

APPLYING FOR A PRE-PRE PLACE

APPLICATIONS ARE ONLINE

You apply for pre-pre in the same way as you would for pre-school, online using the EA Connect Portal. You will be making a penultimate age application. We are only able to offer pre-pre if we have spaces left empty once all target age children have been placed. We occasionally offer pre-pre places in our part time class, but not every year.

If we have pre-pre places these are offered in date of birth order oldest first until all places are filled, starting with those born in July.

APPLYING

Please remember the following:

- Pre-Pre children are usually only in our Part time afternoon class - almost never in the full time class.
- Every school sets its own **criteria** - read these very carefully
- Each school can ask for different **verifying documents** make sure these are uploaded to support your applications
- Applications are not first come first served - no need to rush but **do not** miss the deadline!
- You should put **at least four choices** - if you only put one and don't get it then your child will be unplaced!
- You will remain on our waiting list for the year after your pre-pre application

IMPORTANT DATES

The dates for Pre -Pre applications are slightly different to pre-school

9th January 2024 - Applications open online at 12noon

26th January 2024 - Applications close at 12noon

31st January 2024 - All verifying documents need to be uploaded to EA Connect

11th June 2024 - Parents receive application outcome by email/letter
