# APPLYING FOR PRE-SCHOOL

APPLICATIONS ARE ONLINE

You must apply for pre-school for your child using the EA Connect Portal. Your log in details will be the same as you used last year if you made a penultimate pre-school application for pre-pre. If you have forgotten them you can do a password reset.

You should update your child's information if it has changed since last year e.g. address / contact number. Date of birth can't be changed.

APPLYING

Please remember the following:

- You can **apply for us twice** once for Full Time and once for Part Time. We strongly recommend this!
- Every school sets its own **criteria** - read these very carefully
- Each school can ask for different **verifying documents** make sure these are uploaded to support your applications
- Applications are not first come first served - ne need to rush but **do not** miss the deadline!
- You should put **at least four choices** - you do not want to run the risk of your child being unplaced if you don't put enough choices down!
